Subject: nikki haley statement

In case you missed this yesterday:

Statement from Gov. Haley on frivolous union complaint against Boeing APRIL 20TH COLUMBIA, S.C. – Gov. Nikki Haley today issued the following statement in response to the National Labor Relations Board complaint filed against Boeing by the International Association of Machinists and Aerospace Workers:

"This is an absolute assault on a great corporate citizen and on South Carolina's right-to-work status. We will continue to do everything we can to protect that status, and to stand with companies like Boeing who understand what it means to take care of their employees without the interference of a meddlesome, self-serving union. This bullying will not be tolerated in South Carolina."
