Subject: ap questions

Hello there,

Lafe suggested I contact both of you with these questions

Sam Hananel of the AP is writing **this morning** about the Boeing letter and wants to know:

Is this unusual? (for a respondent to write a letter like this? Exemption 5

Has Boeing filed a formal response to the complaint? If not yet, when is it due?

And will we have any response to this letter?

Thanks for any help you can provide.
