U.S. General Services Administration  
FOIA Requester Service Center (H1C)  
1800 F. Street, NW, Room 7308  
Washington, DC 20405-0001  
E-mail: [gsa.foia@gsa.gov](mailto:gsa.foia@gsa.gov)

Dear Mr. Boldt:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, Cause of Action hereby requests records reflecting communications between (1) The Office of White House Counsel<sup>1</sup> and the U.S. General Services Administration (GSA) FOIA Requester Service Center, and (2) The Office of White House Counsel and the GSA Office of the General Counsel, concerning the Office of White House Counsel's review of agency records. The time period for this request is January 1, 2012 to the present.

Please note that we do not seek access to the actual records that were forwarded to the Office of White House Counsel for review, but only to records that reflect that such consultations occurred (for example, cover e-mails).

**Request for public-interest fee waiver**

Cause of Action requests a waiver of any and all applicable fees pursuant to 5 U.S.C. § 552(a)(4)(A)(iii). This provision provides that requested records shall be furnished without or at reduced charge if "disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester."<sup>2</sup> The requested records would unquestionably shed light on the "operations or activities of the government,"<sup>3</sup> namely GSA's policies and procedures with respect to records involving White House equities. Moreover, disclosure would "contribute significantly" to the public's understanding of GSA's operations.<sup>4</sup> To date, GSA has not disclosed to the public—either through its regulations or policy memoranda—how it processes agency records deemed to contain White House equities. Cause of Action has both the intent and ability to make the results of this request available to a

<sup>1</sup> For purposes of this FOIA request, the Office of the White House Counsel includes all employees of that Office—not merely the White House Counsel.

<sup>2</sup> 5 U.S.C. § 552(a)(4)(A)(iii).

<sup>3</sup> *Id.*

<sup>4</sup> *Id.*

reasonably broad public audience through various media. Our staff members have a wealth of experience and expertise in government oversight, investigative reporting, and federal public interest litigation. These professionals will analyze the information responsive to this request, use their editorial skills to turn raw materials into a distinct work, and share the resulting analysis with the public, whether through Cause of Action's regularly published online newsletter, memoranda, reports, or press releases.<sup>5</sup>

Further, Cause of Action, a non-profit organization as defined under Section 501(c)(3) of the Internal Revenue Code, does not have a commercial interest in making this request. The requested information will be used solely to educate the general public regarding GSA's heretofore undisclosed FOIA policy and procedures for processing records with White House equities.

### **Request for news media status**

For fee purposes, Cause of Action also qualifies as a "representative of the news media" under 5 U.S.C. § 552(a)(4)(A)(ii)(II). Cause of Action is organized and operated, among other things, to publish and broadcast news, *i.e.*, information that is about current events or that would be of current interest to the public. Cause of Action gleans the information that it regularly publishes from a wide variety of sources and methods, including whistleblowers/insiders, government agencies, universities, scholarly works, and FOIA requests. Cause of Action routinely and systematically disseminates information acquired from such sources to the public through various media. For example, Cause of Action distributes articles, blog posts, published reports, and newsletters about current events of interest to the general public through its website, which has been viewed just under 120,000 times in the past year alone.<sup>6</sup> Cause of Action also disseminates news to the public via Twitter and Facebook, and it provides news updates to subscribers via email. As a result of these activities, federal agencies have continually recognized Cause of Action's news media status in connection with its FOIA requests.<sup>7</sup>

### **Record production and contact information**

In an effort to facilitate record production, please provide the responsive records in electronic format (*e.g.*, e-mail, .pdf). If a certain set of responsive records can be produced more readily, we respectfully request that those records be produced first and that the remaining records be produced on a rolling basis as circumstances permit.

Dear. Ms. Burrows:

This is in response to your Freedom of Information Act (FOIA) request (GSA number 261307), dated November 26, 2013, to the U.S. General Services Administration (GSA) in which you asked for communications between the Office of White House Counsel and GSA's FOIA Requester Service Center and the Office of White House Counsel and GSA's Office of General Counsel concerning the Office of White House Counsel's review of agency records. Your request specifically stated you do not want the actual records that were forwarded to the Office of White House Counsel for review, just records that reflect such consultations occurred.

There are no responsive documents from the GSA FOIA Office. Enclosed please find responsive documents between the GSA Office of General Counsel and the Office of White House Counsel concerning GSA FOIA requests. You will note information was redacted from these e-mail communications based on the fifth and sixth exemptions of FOIA, 5 U.S.C. 552(b)(5) and (6). The redactions under the fifth exemption were made to protect attorney-client communications and deliberative process material. The sixth exemption was applied to protect things like cell phone numbers, direct dial numbers, and non-GSA e-mail addresses.

You have the right to appeal the denial of the information withheld. To do so, you must write, within 120 days of your receipt of this letter, to the following address:

U.S. General Services Administration  
FOIA Requester Service Center (H1C)  
1800 F Street, NW, Room 7308  
Washington, DC 20405

Your appeal must be in writing and should contain a brief statement of the reasons why you believe the requested information should be released.

Enclose a copy of your initial request and a copy of the letter. Both the appeal letter and envelope should be marked prominently, "Freedom of Information Act Appeal."

Should you have any questions, please contact me at [travis.lewis@gsa.gov](mailto:travis.lewis@gsa.gov) or (202) 219-3078.

Sincerely,

*Travis Lewis*

I was just told they should be done in about an hour and Greg Mecher will bring it over to you. I was told Quicktime (I think that is what it was called) should open the videos on a Mac. If not, they will need to save the videos in a different format and that will take a while. As requested, the other documents will be in a PDF format.

Good afternoon. I was told by our Office of Administrative Services that you wanted to see the FOIA about the renovations to a bathroom at the Department of Interior. Attached please find the incoming request, a proposed response from our FOIA Office, and the proposed responsive documents (which are marked for redaction).

I was also told you wanted to see FOIAs about public affairs officers and West Wing renovations, but those were already sent to you so I assume someone passing the message along here was confused. If you want to see those again though, let me know and I can forward them.

Hi Matt,

Just wanted to flag this for you. Reporter Brad Heath at USA Today has filed a FOIA request for job descriptions and responsibilities of all agency spokesmen, communications specialists, public information officers, and social media specialists. He told me that he has filed the same FOIA request with over 100 federal agencies. Our FOIA office has gathered performance plans and job descriptions for about 24 employees. These are being prepared for release in the next few days. Please contact me with any questions.

Thanks,

Dear. Ms. Burrows:

This is in response to your Freedom of Information Act (FOIA) request (GSA number 261307), dated November 26, 2013, to the U.S. General Services Administration (GSA) in which you asked for communications between the Office of White House Counsel and GSA's FOIA Requester Service Center and the Office of White House Counsel and GSA's Office of General Counsel concerning the Office of White House Counsel's review of agency records. Your request specifically stated you do not want the actual records that were forwarded to the Office of White House Counsel for review, just records that reflect such consultations occurred.

There are no responsive documents from the GSA FOIA Office. Enclosed please find responsive documents between the GSA Office of General Counsel and the Office of White House Counsel concerning GSA FOIA requests. You will note information was redacted from these e-mail communications based on the fifth and sixth exemptions of FOIA, 5 U.S.C. 552(b)(5) and (6). The redactions under the fifth exemption were made to protect attorney-client communications and deliberative process material. The sixth exemption was applied to protect things like cell phone numbers, direct dial numbers, and non-GSA e-mail addresses.

You have the right to appeal the denial of the information withheld. To do so, you must write, within 120 days of your receipt of this letter, to the following address:

U.S. General Services Administration  
FOIA Requester Service Center (H1C)  
1800 F Street, NW, Room 7308  
Washington, DC 20405

Your appeal must be in writing and should contain a brief statement of the reasons why you believe the requested information should be released.

Enclose a copy of your initial request and a copy of the letter. Both the appeal letter and envelope should be marked prominently, "Freedom of Information Act Appeal."

Should you have any questions, please contact me at [travis.lewis@gsa.gov](mailto:travis.lewis@gsa.gov) or (202) 219-3078.

Sincerely,

*Travis Lewis*
