Hi [redacted]

I just wanted to touch base with you regarding President Wilson. I fingerprinted him using our Civil Applicant System a few weeks ago. He has completed the SF-86 via eQIP, but I have not yet reviewed the SF-86 or set any lead to verify his birth, etc.. We're short staffed in the security unit, so I was not able to give this case the attention it deserves. I will have his case opened in ACS next week and get the Boston leads set. As soon as I have the results, I will send them to SecD and cc you so you know the status. If you have any questions, or there is something you need, please feel free to give me a call.
