**Subject:** ap questions

Hello there,

*Exemption 5*

Sam Hananel of the AP is writing **this morning** about the Boeing letter and wants to know:

Is this unusual? (for a respondent to write a letter like this?)

*Exemption 5*

Has Boeing filed a formal response to the complaint? If not yet, when is it due?

And will we have any response to this letter?

Thanks for any help you can provide.
