

INSPECTOR GENERAL
FOR TAX
ADMINISTRATION

DEPARTMENT OF THE TREASURY
WASHINGTON, D.C. 20005

December 30, 2013

Allan Blutstein
C/O Robin Burrows
Cause of Action
1919 Pennsylvania Avenue, Northwest
Suite 650
Washington, District of Columbia 20006

Dear Mr. Blutstein:

This is in response to your Freedom of Information Act (FOIA) request, dated August 16, 2013, seeking access to records maintained by the Treasury Inspector General for Tax Administration (TIGTA). Specifically, you are requested "the work calendars of Inspector General J. Russell George from March 1, 2012 to July 31, 2013." TIGTA received your request on August 16, 2013.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

The Inspector General J. Russell George work calendar consists of seventy-five (75) pages. We are releasing seventy-five (75) pages in part. Copies are enclosed. We are asserting FOIA subsections (b)(6) and (b)(7)(A) as the justification for withholding.

FOIA subsection (b)(6) permits the withholding of records and information about individuals when disclosure of the information could result in a clearly unwarranted invasion of personal privacy. The withheld information consists of identifying information compiled with regard to individuals other than you. Releasing the withheld information would not shed any light into the Agency's performance of its official functions, but instead could result in an invasion into the personal privacy of the individuals whose names and personal information have been withheld. As a result, the privacy interests of the third parties outweigh the public's interest in having the information released.

Subsection (b)(7)(A) permits the withholding of records and information when interference with law enforcement proceedings can be reasonably expected. The withheld information was collected as part of TIGTA's ongoing investigation and the premature disclosure of some information could interfere with law enforcement activities.

We have enclosed an Information Sheet that explains the subsections cited above as well as your administrative appeal rights. You may appeal this decision within thirty-five (35) days from the date of this letter. Your appeal must be in writing and signed by you. You should address the envelope as follows:

Freedom of Information Act Appeal
Treasury Inspector General for Tax Administration
Office of Chief Counsel
City Center Building
1401 H Street, NW, Suite 469
Washington, DC 20005

Since the cost incurred to process your FOIA request is less than \$25.00, the threshold set by Treasury's FOIA regulation, we are not assessing any fees.

If you have any questions, please contact Monica Frye at (202) 622-2738 or monica.frye@tigta.treas.gov and reference case # 2013-FOI-00283.

Sincerely,

Monica Frye
(For) Amy P. Jones
Disclosure Officer

Enclosures

Information on a TIGTA Determination to Withhold Records Exempt From the Freedom of Information Act – 5 U.S.C. § 552

Appeal Rights

You may file an appeal with the Treasury Inspector General for Tax Administration (TIGTA) within 35 days after we (1) determine to withhold records, (2) determine that no records exist, or (3) deny a fee waiver or a favorable fee category. If some records are released at a later date, you may file within 35 days after the date the last records were released. The appeal must be in writing, must be signed by you, and must contain the following information: your name and address; description of the requested records; date of the initial request (and a copy, if possible); date of the letter denying the request (and a copy, if possible). You should mail your appeal to:

Freedom of Information Act Appeal
Treasury Inspector General for Tax Administration
Office of Chief Counsel
City Center Building
1401 H Street, NW, Suite 469
Washington, DC 20005

Judicial Review

If we deny your appeal, or if we do not send you a reply within 20 days (not counting Saturdays, Sundays, or legal public holidays) after the date we receive the appeal, you may file a complaint with the U.S. District Court in the district where (1) you reside, (2) your principal place of business is located, or (3) the records are located. You may also file in the District Court for the District of Columbia.

The court will treat your complaint according to the Federal Rules of Civil Procedure (F.R.C.P.). Service of process is governed by Rule 4(d)(4) and (5), which requires that a copy of the summons and complaint be (1) personally served on the United State Attorney for the district in which the lawsuit is brought; (2) sent by registered or certified mail to the Attorney General of the United States at Washington, C.C.; and (3) sent by registered or certified mail to:

Treasury Inspector General for Tax Administration
Office of Chief Counsel
City Center Building
1401 H Street, NW, Suite 469
Washington, DC 20005

In such a court case, the burden is on the Treasury Inspector General for Tax Administration to justify withholding the requested records, determining that no records exist, or denying a fee waiver or a favorable fee category. The court may assess against the United States reasonable attorney fees and other litigation costs incurred by the person who takes the case to court and who substantially prevails. You will have substantially prevailed if the court determines, among other factors, that you had to file the lawsuit to obtain the records you requested and that the Treasury Inspector General for Tax Administration had no reasonable grounds to withhold the records. See Internal Revenue Service Regulations 26 CFR 601.702 for further details.

Exemptions

The Freedom of Information Act, 5 U.S.C. § 552, does not apply to matters that are:

- (b)(1) (A) specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and
- (B) are, in fact, properly classified under such an Executive Order;
