

**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF COLUMBIA**

|                              |   |                                    |
|------------------------------|---|------------------------------------|
| CAUSE OF ACTION              | ) |                                    |
|                              | ) |                                    |
| Plaintiff,                   | ) |                                    |
|                              | ) |                                    |
| v.                           | ) | Civil Action No. 1:12-cv-00850-EGS |
|                              | ) |                                    |
| THE FEDERAL TRADE COMMISSION | ) |                                    |
|                              | ) |                                    |
| Defendant.                   | ) |                                    |
|                              | ) |                                    |
| _____                        | ) |                                    |

**PLAINTIFF’S OPPOSITION TO DEFENDANT’S  
MOTION FOR SUMMARY JUDGMENT**

Plaintiff Cause of Action opposes Defendant Federal Trade Commission’s motion for summary judgment and respectfully requests that the Court deny defendant’s motion for the reasons set forth in the attached Memorandum in Support. A proposed order consistent with the relief sought is attached to this opposition paper.

Dated: November 28, 2012

Respectfully submitted,

/s/ Karen M. Groen
