Inquiry --

As we prepare travel arrangements for President Greenwood to travel from Honolulu to Florida, a question arose:

Is President able to fly business class and be reimbursed? She has a bad back and has a doctor's note which prescribes flying business class.

Appreciate your assistance,

Hi [Redacted]

I have a couple of things for you.

First, Chancellor Thorp made his decision to fly commercial to Miami for the February meeting, over taking the university plane, so his anticipated flight expense round trip is \$195.00.

Secondly, he will be landing in Miami on 2/15 at 9:15 AM. He is to get to the Fusion Center for the meeting. Where is this located?
